

**DO YOU WANT TO MAKE A
DIFFERENCE IN YOUR COMMUNITY
WHILE DOING WHAT YOU LOVE?**

Follow your passion, be your own boss, and build a business in your community. In partnership with the Ivey Business School and Yukon College, the LEADER Project will be running a one week business program in Whitehorse for youth and entrepreneurs from Yukon First Nations. There is no cost to participate in the program, and accommodation will be provided for those coming in from outside Whitehorse.

About Us:

The LEADER Project aims to help young entrepreneurs bring business ideas to life through coaching and mentorship. By participating in this program, you will be able to:

- Transform your big ideas into a plan that you can use to start or scale your business
- Learn about concepts like marketing, strategy, and finance that you can use to make your business a success
- Learn from Yukon-based entrepreneurs and meet a group of like-minded youth who are also interested in building a career in entrepreneurship
