June 22, 2021

Dear Parents,

With a heavy heart and after extensive thought and careful deliberation, we have made the difficult decision to post-pone the start of TKC Summer Day Camp until **Monday, July 5, 2021**. As you know, the pandemic has had a profound impact across the Yukon in the last couple weeks. We will be monitoring the situation over the next couple of weeks leading up to the new proposed start date and may adjust our camp programming as needed. Please note that the safety and wellbeing of the children are TKC's top priority.

We understand that this postponement provides limited notice to families, and due to that, TKC has decided to provide financial support for alternate childcare, such as daycare, day homes and alternate summer programs during the week(s) your child was scheduled to participate in the TKC program. We are currently looking into other programs that are available, and our Youth Outreach Support Worker, Ben Monkman, will be emailing families about alternate childcare and assistance this afternoon.

For your child(ren), we understand that news will be upsetting. Hopefully, in the next two weeks, we will have some better news to share with you. And, for our parents/guardians, we also recognize that you may have some questions regarding this decision, the financial support for alternate programs and more. If you have any concerns, please be sure to reach out and let us know.

We look forward to seeing everyone soon and enjoying the summer together!

Sincerely,

Adrianna Smith
