July 13, 2021

Dear Parents,

We have made the difficult decision to cancel TKC's Summer Day Camp that was re-scheduled to start July 19, 2021. Council made the final decision to not move forward with summer camp, but instead make summer packages for all the children as a compensation. They are ready and available for pickup on **July 15 & 16, 2021** at the TKC Wellness Centre office.

Thank you again for your patience and understanding! We look forward to seeing you all at camp next year! Until then, be good and safe. We hope you find ways to spend time outside together with the camp packages.

Sincerely,

Adrianna Smith
