Information for Delegates

- Preference is for delegates to attend in person. Please indicate on the form if a delegate will be attending in person or virtually. You must be fully vaccinated to attend in person.
- In order to participate virtually, you must have a secure internet connection, access to a computer, and be registered for the General Assembly. All virtual delegates will be required to participate with video on and must have a working webcam.
- General Assembly documents and presentations will be provided through the app, if attending virtually.
- More details on registration and connecting virtually will be provided well in advance of the General Assembly.
- Delegates and Councillors will have the opportunity to do a virtual test run before the General Assembly to ensure a smooth process. Date to be determined.
