**Re Suspension of Family Director**

This will confirm receipt of your letter to the Ta'an Kwach'an Judicial Council dated April 20, 2006, relating to the above-noted matter.

The Judicial Council has specific legal responsibilities and authorities under the Constitution and other laws of the Ta'an Kwäch'än Council. The Judicial Council is not established to address such matters as "checking into" your claims and "producing the paperwork" authorizing Acting Chief Massie to take vacation leave. In our view, your letter of April 20, 2006, does not raise a justiciable issue — that is, it does not raise a matter within the jurisdiction of the Judicial Council to consider.

This will also confirm that no further action will be taken by the Judicial Council in response to your April 20, 2006, letter.

Issued by the Ta'an Kwäch'än Judicial Council this *21<sup>st</sup>* day of May 2006.
