Applicant: Diane Graham

This will confirm receipt of your letter to the Ta'an Kwäch'än Judicial Council dated **October 4, 2006 regarding Ms. Jackie Bazett.**

The Judicial Council does not accept this application for the following reasons:

1. In this application, you have concluded your letter with a request that Ms. Bazett be suspended for compromising the dignity and effectiveness of her position as a Board member. The text of the letter however indulges in widespread accusations of a variety of things against several people beyond the member named in the application. There is also considerable text devoted to matters that are not only outside the jurisdiction of the Judicial Council (such as the notion that the Judicial Council can instruct someone to read up on war crimes) but irrelevant to the matter raised. The use of inflammatory language or vexatious allegations against third parties in an application to the Judicial Council is inappropriate and unacceptable.
2. It is a requirement of both the Constitution of the Ta'an Kwäch'än Council and the Judicial Council rules of procedure and that an application to the Judicial Council to remove a Board member be provided simultaneously to the member that is the subject of the application. There is no indication that you have done so and your application is also not accepted on this basis.

Should you wish you pursue the matter respecting Ms. Bazett any further, you must submit an application consistent with our rules and the Constitution. By this notice, you are advised that we require that you provide written evidence that any future submission has been delivered to any Board member named in the application. You must also provide sufficient detail to support your application, but refrain from making vexatious accusations or allegations or including matters that are not material to the complaint being made against the Board member.

No further action will be taken by the Judicial Council in response to your October 4, 2006 letter respecting Ms. Bazett.
