**Case Number:** TKJC06-15

**Applicant:** Diane Graham

This will confirm receipt of your letter to the Ta'an Kwäch'än Judicial Council dated **October 4, 2006 regarding Ms. Gail Anderson.**

The Judicial Council does not accept this as a complaint for the following reasons:

1. While you conclude the letter with a request that Ms. Graham be suspended for compromising the dignity and effectiveness of her position as a Board member, most of the supporting text indulges in unrelated accusations respecting a variety of other people. Most notable among these is Mr. John Burdek, who is not provided with any opportunity to answer to the many serious allegations you have made through the Judicial Council process. This type of content in a request to remove a Board member is highly inappropriate and will not be accepted. You cannot use an application to the Judicial Council as a vehicle to air complaints - many that are very serious – that are in respect of people or matters outside our jurisdiction.
2. It is a requirement of the Judicial Council rules of procedure and Constitution of the Ta'an Kwäch'än Council that an application to the Judicial Council to consider removing a Board member be provided simultaneously to the member that is the subject of the request. This affords the subject of the complaint to respond. Your letter provides no such indication that this has been done and therefore is also not acceptable for this reason.

Should you wish you pursue this matter further, you are required to submit an application consistent with our rules and the Constitution and in this case we require that you provide written evidence that your submission has been delivered to a named Board member. You must also provide sufficient detail to support your application, but refrain from making vexatious accusations or allegations or including matters that are not material to the complaint being made against the Board member.

No further action will be taken by the Judicial Council in response to your October 4, 2006 letter respecting Ms. Anderson.

Issued by the Ta'an Kwäch'än Judicial Council this 26<sup>th</sup> day of October, 2006.
