Attention: Ms. Adamson:

This will confirm receipt of your letter to the Ta'an Kwäch'än Judicial Council dated September 25, 2006, in which you and others suggest that the Ta'an Kwäch'än Board meetings convened on July 21 and August 27, 2006, at which official business was conducted, were held without quorum. You also ask that the Ta'an Kwäch'än Judicial Council investigate the holding of general assembly and request the Judicial Council to immediately call a general assembly or direct that one be called.

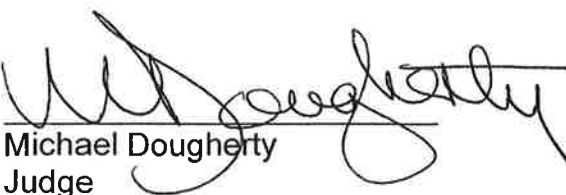

The Judicial Council does not accept this application for two reasons. First, the Judicial Council has no authority to call a General Assembly and will only consider matters within the jurisdiction outlined in the Constitution of the Ta'an Kwäch'än.

Second, 4.1 of the Rules and Procedures of the Judicial Council require that you provide copies of an application to the party named in it, which in this case is the Ta'an Kwäch'än Board. There is no indication that this has been done and an application will not be accepted until these provisions of our Rules have been complied with in order that the Board has an opportunity to be informed of the application and respond to it.

Should you wish to pursue this matter further, you must re-submit an application that complies with the Rules of Procedure (a copy is attached with pertinent sections highlighted) and does not include matters clearly beyond the authority of the Judicial Council to consider.

No further action will be taken respecting your September 25, 2006 letter.

Issued by the Ta'an Kwäch'än Judicial Council this 26th day of October, 2006.
